

Gatekeeper Business Solutions allows you to easily input information into your Labor Management Software so that you can see profitable results quickly.

Here is a diagram of the Management Information System at work using the Biometric Clock

Why the Biometric Clock?

- Eliminates Buddy Punching
- Ensures accuracy from Punch to Paycheck
- Just 5 minutes is equal to 1% of a person's daily pay
- Badges - Cost, Administration, Security
- Wasted time by supervisor
