

Tools for Payroll/ Human Resources:

- Automatic Deduction Make-up
- Full-fledged payroll software, not an accounting add-on
- G/L report and export
- No limit on employee direct deposit accounts
- Pay rate changes with effective future dates – middle of pay period also acceptable
- Reprint individual W-2's
- YTD totals at a glance on the employee screen

Payroll/ Human Resources Level

GBS offers customizable payroll reports, such as:

Active employees with no pay

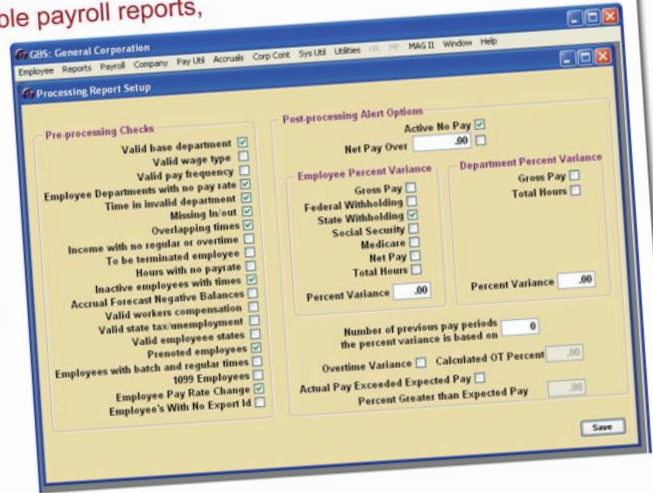

In-active employees with pay

Missing times

Missing pay rates

Changed pay rates

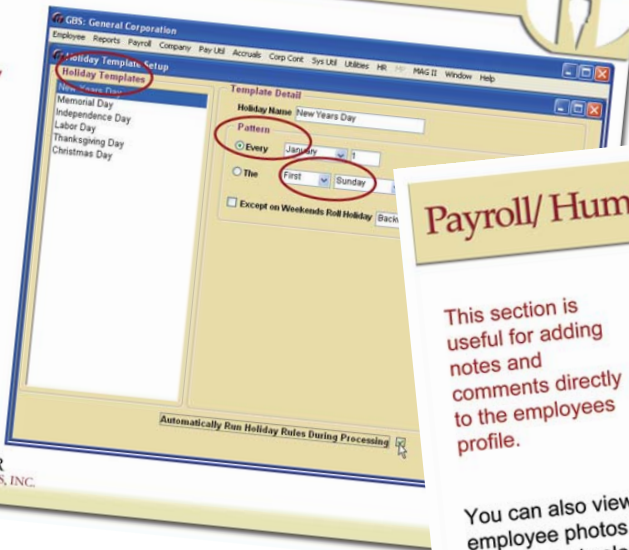

% of pay differences

Payroll/ Human Resources Level

Imagine this... setting-up automatic holiday templates at a click of button!

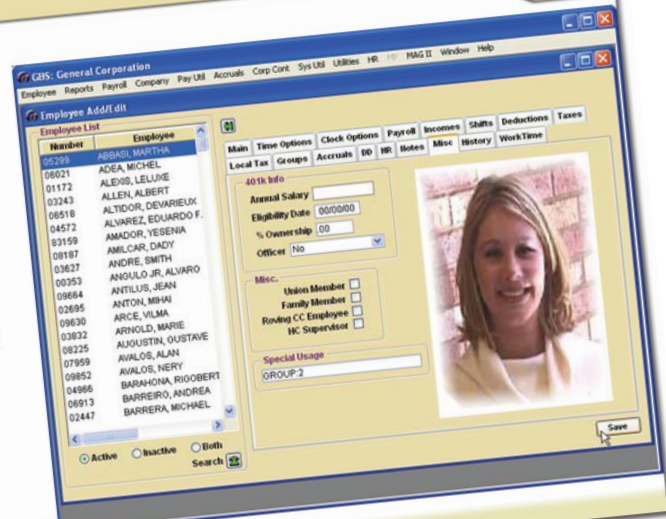

You will also be able to set holiday patterns on a monthly or weekly basis.

Payroll/ Human Resources Level

This section is useful for adding notes and comments directly to the employees profile.

You can also view employee photos and detailed salary information
